

SERVICES FOR YOUNG PARENTS

FAMILY SUPPORT CENTERS

Services: Designed to nurture, protect and strengthen families. These centers are community-based and respond to the needs of the individuals that make up the community. Each center offers a number of different services which may include any of the following: parenting education, child development support, parental support groups, drop-in centers, transportation, goal planning, medical support, prenatal care support, community referrals, and many more.

Eligibility: These centers serve families with children from birth to age five. Parents must reside in the community that the individual family center serves.
