Bringing Hope to Our Most Vulnerable Citizens

KITES FOR KIDS

May 30, 2026

10AM-3PM

Kamin Science Center

Join KidsVoice on Saturday, May 30 for our **20th Annual KITES FOR KIDS** event to raise awareness and crucial resources to protect our most vulnerable citizens— abused and neglected children.

Who We Help

KidsVoice advocates for thousands of current and former foster youth each year. We protect our clients’ rights in the courtroom and help address their needs, like timely access to special education services and mental health resources. With your support, KidsVoice helps these youth find hope, confidence, and a chance to develop to their full potential.

Why Kites?

Kites symbolize the potential for a child to soar and a hope for a world full of happy childhoods.

A DAY OF FUN FOR ALL!

Protecting Children's Rights

Kites for Kids gives children in foster care a fun day of learning and exploring at the Kamin Science Center alongside the community at large. The Science Center will be decorated for the event with kites made by KidsVoice clients.

The hearts on my kite represent love which means a happy childhood. All children deserve a happy childhood with a lot of love.
