KITES FOR KIDS

OCT. 23, 2021

10AM-5PM

Carnegie Science Center

Join KidsVoice for our signature event, KITES FOR KIDS, on national Make a Difference Day, to raise awareness and crucial resources to protect our most vulnerable citizens—abused and neglected children.

Kites for Kids gives children in foster care a fun day of learning and exploring at Carnegie Science Center alongside the community at large.

KidsVoice in the Community

KidsVoice advocates for at-risk youth in the legal system, representing more than 3,000 clients each year. During the pandemic, things have been harder than ever for our clients. KidsVoice implemented a three-prong initiative that prioritizes Health, Education, and Housing Stability for all of our youth. Will you help us support these children?

who you will help

"I am a 15-year-old boy, and I live in a group home. It's been 10 years since I lived with my family. I wish that I could go home for just one day."

"I am in first grade. I live with my foster parents, two foster brothers and a foster sister. I like singing, music, and art. I get to see my mom once a week."

Why kites?

Kites symbolize the potential for a child to soar and a hope for a world full of happy childhoods.
